1. At the east end of town, at the foot of the hill
   Stands a chimney so tall, it says "Belfast Mill."

2. But there's no smoke at all, coming out of the stack
   For the mill has shut down, it's never coming back
   And the only tune I hear is the sound of the wind,
   as it blows through the town, weave and spin, weave and spin.

3. There's no children playing in the dark narrow streets
   Since the mill has shut down, its so quiet I can't sleep
   And the only tune I hear…

4. Since the mill has shut down, there's no work to do
   tell me where will I go, tell me what will I do.
   And the only tune I hear…

5. I'm too old to work, I'm too young to die,
   And there´s no place to go for my old man and I
   And the only tune I hear…

6. At the east end of town, at the foot of the hill
   There's a chimney so high, it says "Belfast Mill."

7. But there's no smoke at all, coming out of the stack
   For the mill has shut down, it's never coming back
   And the only tune I hear…
