

Every River - Runrig 1989

[Omk.] *Every river I try to cross
Every hill I try to climb
Every ocean I try to swim
Every road I try to find
All the ways of my life
I'd rather be with you
There's no way
Without you*

1. You ask, me to, believe in magic
Expect me, to commit, suicide of the heart
And you ask, me to, play this game without question
Raising the stakes, on this shotgun roulette

[Omk.] *Every river I try to cross...*

2. But you came, to me, like the ways of children
Simple as breathing, easy as air
Now the years, hold no fears, like the wind they pass over
Loved, forgiven, washed and saved

[Omk.] *Every river I try to cross...*

[Omk.] *Every river I try to cross...*
