In my _____ life I'll love you more. _____

A 1 There are places I'll remember
All my life, though some have changed
Some forever, not for better
Some have gone and some remain

A 2 But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new

B 1 All these places had their moments
With lovers and friends, I still can recall
Some are dead and some are living
In my life, I've loved them all

B 2 Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life, I love you more

A: Piano Solo

B 2 Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life, I love you more
