

# The Irish pub

Musik/Tekst: Brian Flynn

1. Well, you're walkin' through a city street, you could be in Peru  
And you hear a distant calling and you know it's meant for you  
Then you drop what you were doing and you join the merry mob  
And before you know just where you are, you're in an Irish pub

*They've got one in Honolulu, they've got one in Moscow too  
They got four of them in Sydney and a couple in Kathmandu  
So whether you sing or pull a pint you'll always have a job  
'Cause where ever you go around the world you'll find an Irish pub.*

2. Now that design is fairly simple and it usually works the same,  
You'll have 'Razor Houghton' scoring in the Ireland - England game  
And you know your in an Irish pub the minute you're in the door,  
For a couple of boys with bodhrans will be murdering Christy Moore

*They've got one in Honolulu...*

3. Now the owner is Norwegian and the manager comes from Cork  
And the lad that's holding up the bar says 'Only Eejits Work'  
He was born and bred in Bolton but his mammy's from Kildare  
And he's going to make his fortune soon and move to County Clare

*They've got one in Honolulu...*

Solo

4. Now it's time for me to go, I have to catch me train  
So I'll leave ye sitting at the bar and face the wind and rain  
For I'll have that pint you owe me, if I'm not gone on the dry  
When we meet next week in Frankford in the fields of Athenry
