

On the road again

Willie Nelson 1980

Willie Nielson skrev sangen på opfordring, som "soundtrack" til filmen "Honeysuckle Rose" fra 1980, og blev hans 9. nr. 1. hit.

A 1. On the road again,
just can't wait to get on the road again.
The life I love is makin' music with my friends,
and I can't wait to get on the road again.

A 2. On the road again,
goin' places that I've never been.
Seein' things that I may never see again,
and I can't wait to get on the road again

B: Omk.

On the road again
Like a band of gypsies,
we go down the highway
We're the best of friends
Insisting that the world
be turnin' our way
And our way
