

When you, Walk in the Room Jackie DeShannon 1963

1. I can feel the new expression on my face
I can feel that warm sensation taking place
I can hear the guitar playing lovely tunes
Every time that you, - Walk in the room.
2. I close my eyes for a second and pretend it's me you want
Meanwhile I try to act so nonchalant
I see a summer night with the magic moon
Every time that you, - Walk in the room.

[B] *Maybe it's a dream come true
Walking right along beside of you
Wish I could tell you how much I care
But I only have the nerve to stare.*

3. I can feel a something pounding in my brain
anytime that someone speaks your name
Oh Trumpets are sounding; I hear love in bloom
Every time that you, - Walk in the room.
Every time that you, - Walk in the room.
