2. Try to remember when life was so tender  
that no one wept except the willow.  
Try to remember when life was so tender  
that dreams were kept beside your pillow.  
Try to remember when life was so tender  
that love was an ember about to billow.  
Try to remember and if you remember,  
and follow...

3. Deep in December it's nice to remember  
altho' you know the snow will follow.  
Deep in December it's nice to remember  
without a hurt the heart is hollow.  
Deep in December, it's a nice to remember  
the fire of September, that made us mellow.  
Deep in December our hearts should remember,  
and follow...
